

Have you considered spray foam but are concerned about cost and safety?

Enjoy a FREE lunch event co-hosted by BASF and Service Partners Supply

Demystifying Spray Foam: High Performance that's both **Safe** and **Affordable**

- Learn how to make spray foam affordable for YOU to meet Title 24 Code
- Understand how spray foam is applied safely on-site
- Discover how spray foam makes homes more healthy, durable, efficient, and comfortable
- Ask the experts about your design and construction challenges
- View a LIVE spray foam demonstration!
