

BIASC LONG-TERM PLANNING

LONG-TERM PLANNING INPUT SESSIONS

ABOUT

This month BIASC will start conducting Long Term Planning (LTP) input sessions which will be open to the entire membership. Historically, BIASC has conducted LTP every 5-10 years to help us identify how we will move forward as an organization in the future.

All members are encouraged to participate and provide feedback to help ensure our organization's long term success.

SCHEDULE

Below is our schedule of 12 input sessions that will be conducted based on participation enrollment. Attendees must be an active BIASC member or staff. All input sessions will be conducted identically.

Choose a session below and register at biasc.org/events.

*Please note that all registration times are subject to change on all specified dates.
